WHY CONDUCT AN OHI+ ASSESSMENT?

The reasons for conducting an assessment are the same as in Appendix 2.5: The results of the OHI+ assessment can help you to:

- Create a culture of learning and development
- Improve management practices
- Enhance communication and collaboration
- Increase accountability and transparency
- Foster innovation and creativity
- Enhance the organization's reputation and standing

Assessments provide valuable information on the current state of the organization and how it can be improved. They also help to identify areas for improvement and set goals for future development.
