OHI+ INDEPENDENT ASSESSMENTS AT ANY SCALE

OHI+ assessments are conducted by independent groups that are not tied to any one scale. These independent assessments can be conducted by researchers from the Center of Applied Analytics and Management (OHI) or by third parties.

Independent assessments are conducted by various third parties. The costs of independent assessments vary depending on the scale and the level of service. OHI+ assessments are available at various scales, and there is an option to initiate the independent assessment of any scale.
