We can be reached via e-mail at info@directhealthdirectories.org or by telephone at 703-341-2400.

For each visitor to www.directhealthdirectories.org, our web server automatically recognizes and collects around domain names, but not e-mail addresses. This helps us which pages our users visit and what information they view. Such data is useful for tracking and site registration. The information we collect is used only for internal tracking, to improve our web content, to optimize your web experience and, in some cases, to customize the content and/or sound of visited pages. We will disclose information we have collected only when legally required to do so, as the result of a governmental investigation, or to enforce compliance with the policies governing our website and applicable laws or to protect against misuse or unauthorized use of our website.

COOKIES
We use cookies to record past activity on our website and to assist in providing better and faster service upon your return visits to www.directhealthdirectories.org. We also customize certain web content based on your browser type, language, or other settings to provide you with the experience you choose.

AD SERVERS
We do not maintain or have special relationships with any ad server(s) employed. From time to time, we may use user data for new, unattributed uses not previously disclosed in our privacy policy. If this is the case, or if the information practices change, we will notify you of those changes before we use your data. By accepting this privacy policy, you agree to our use of cookies and tracking devices to understand how you use the site, and to provide you with targeted advertising.

SECURITY
When providing you with sensitive information online, such as financial information to make a donation, we will redirect you to a secure server and notify you of this method through a popup screen. Your credit card information is never stored.

CHILDREN’S GUIDELINES
None of the websites covered by this policy knowingly collect identifiable personal information from children under age 13. If we discover that a person under the age of 13 has provided or with any personally identifiable information, we will delete that information from our systems. We are unable to respond to information requests from children under the age of 13, if not identified. If you or guardian wishes to make any requests for information from children under the age of 13, you should contact your child's physician or health care provider.

If you feel that this site is not following its stated privacy policy, please contact us by e-mail or phone at the DMCA’s Copyright and Offici Business Practices at info@directhealthdirectories.org.
