OVERVIEW

Thank you for visiting the deviceHealth Index site at www.devicehealthindex.org. We respect your privacy, and we will never share your personal information with other organizations. The following privacy policy describes what information is gathered on this website and how it is used.

Our mailing address is:

DeviceHealth Index
2252 Glastonbury Court, Suite 500
Herndon, VA 22071

We can be reached via email at info@devicehealthindex.org or by telephone at 703-341-2400.

For each visit to www.devicehealthindex.org, our web server automatically recognizes and collects around domain names, but not e-mail addresses. This helps us with paper cutouts about what information they establish, such as review information and e-mail address. The information we collect is used only for internal website analysis to improve our web content, to optimize your web experience and, in some cases, to maintain the content and/or access of your pages. We will disclose information we have collected only when legally required to do so, at the request of governmental authorities conducting an investigation; to verify or enforce compliance with the policies governing our website and applicable laws or to protect against misuse or unauthorized use of our websites.

COOKIES

We use cookies to record past activity on our website. An effort is provided today, and today's action upon your return to site to www.devicehealthindex.org.

We also customize certain web content based on your browser type, language or other settings to improve your site experience.

AD SERVERS

We do not have a relationship with any ad server component. From time to time, we may use user data for new, unregistered users who are not previously disclosed in our privacy policy. If this is the case, or if we change practices, we will notify you of those changes before we use your data. Provide you the opportunity to opt-out, and post the new policy to the website. If you are concerned about how your information is being used, please check the page periodically. At any time, you may report your information to the new usage or unregistered future purposes of a mailing, editing or setting.

SECURITY

When providing your sensitive information online, such as financial information to make a transaction, we will redirect you to a secure server and notify you of this method through a pop-up screen. Your credit card information is never shared.

CHILDREN’S GUIDELINES

None of the websites covered by this policy knowingly collect protected information from children under age 13. If you discover that a person under the age of 13 has provided us with any personally identifiable information, we will delete that information from our systems. We are unable to reply to information requests from children under the age of 13, if so identified. A parent or guardian must obtain any requests for information from children under the age of 13 on their behalf. We encourage parents to supervise children when they access the Internet.

If you feel that the site is not following its stated privacy policy, please contact us by email or phone as The SHDI’s Committee on Official Business Practices at info@devicehealthindex.org.
