MAP FILTERS

By Goal:
- Overall Index Score

By Ocean:
- Atlantic Ocean

By Region:
- Countries

By Map Projection:
- Mollweide

View Maps For Goals

When a goal is met, it is shown in the applicable country, state, or zone that achieved the goal. Map layers include:
- Areas with data
- Achieved goals
- Raw data
- 2019 data
- 2018 data

Map tools allow you to zoom in and out, pan the map, and reset the view.
