## **AD SERVERS**

We do not partner with or have special relationships with any ad server companies. From time to time, we may use user data for new, unanticipated uses not previously disclosed in our privacy policy. If this is the case, or if our information practices change, we will notify you of those changes before we use your data, provide you the opportunity to opt out, and post the new policy to this web page. If you are concerned about how your information is being used, please check this page periodically. At any time, you may prevent your information from being used for unanticipated future purposes by e-mailing, calling or writing us.
